

TAKING THEIR LAST CHANCES

Before the New Council Grasps the Reins.

Bids Received for the New Fire Department Building in the Northeast Section but the Contract Not Awarded—The Bids all in Excess of the Appropriation—Outline Business Engages the Council—Mr. Sheehan Makes Sewer Recommendations.

The City Council met last night, and, President Hanthorn being absent, Mr. Trout was called to the chair. There were present: Messrs. Buckner, Huff, Graves, McConnell, McCahan, Ruggles, Sheehan, Scott, Skinner and Woodward.

The mayor reported fines for the month of April, \$888.54; committals, \$259.25; cash on fines, \$129.29; disbursements, \$18.90; net on fines, \$410.39.

The mayor asked that his court rooms be wainscoted, and that some other necessary improvements be made at police headquarters. Referred to the public property committee with power to act.

The city sergeant reported sixty-one prisoners for the month of April.

The city solicitor submitted a letter from J. Allen Watts, attorney for the Norfolk and Western railroad, asking the privilege of widening Commerce street north of the railroad, which was referred to the street committee.

The finance committee reported the condition of the city treasury as follows: Warrants drawn, \$98,379.43; balance in treasury, \$38,658.89. The total collections at the market for May were \$355.62.

Mr. McConnell asked that Peach street be graded, and that the same be referred to the street committee with power to act.

The chain gang was ordered to be put to work on this street.

The Roanoke Building and Investment Company offered the school building in the northwest for sale at \$6,500. This matter was laid on the table until after the organization of the new council.

Bids for erecting the firemen's hall and market-house in the Third ward were opened. They are as follows: G. W. Lambert, \$15,000; J. Woltz & Co., \$10,875; J. F. Barbour, \$11,471.15; C. C. Shockey & Co., \$11,135; F. D. Booth, \$12,545.

The bids were referred back to the committee to make a further report, as they were in excess of the appropriation.

Mrs. Carrie Story was allowed \$50 for taking care of the Lowman family last winter.

The overseers of the poor reported five white and nine colored paupers at the almshouse.

The fire and water committee recommended, on the petition of J. A. Hayliss asking that he be allowed to put a fire escape of his own selection, that the former report of the committee be adhered to.

The recommendation brought out considerable discussion. Messrs. Woodward and McConnell opposed iron steps on the outside of the building, and the recommendation was put to a vote and lost.

Mr. McConnell moved that the former report of the committee be reconsidered, but the motion was defeated.

The committee on accounts reported bills for the month of May at \$5,752.13. The bill of Ex-officer Browning for \$8 error in salary for the month of February was deferred for investigation.

Mr. Sheehan, chairman of the sewer committee, said that he had now under consideration the West system, but as the plan was very extensive, he would recommend that the business section of the city be sewered according to Mr. Hering's plan. He recommended the laying of sewers as follows: On Randolph, from Salem avenue to Campbell; on Henry, from Campbell to Railroad avenue; on Salem avenue, from Randolph to Commerce; on both sides of Lick run, from the intersection with Trout run to Commonwealth avenue, and on Wells, from Lick run to Jefferson street.

The above recommendations were adopted and referred to the sewer committee.

It was ordered that the mayor be requested to compel all property owners to connect with adjacent sewers.

Street lamps were ordered to be placed on Gilmer street from Jefferson to park and a lamp at the corner of Wheat and Tazewell.

The ordinance previously adopted requiring that all trees be removed from the sidewalks, was modified in that the matter shall be referred in each instance to the city engineer.

The sewer committee were instructed to look into the right-of-way for emptying sewers in the streams in and around the city.

The city engineer was instructed to purchase an automatic rain gauge to test the rainfall to aid the sewer plan.

The Council adjourned without completing the routine business.

THE REAL ESTATE EXCHANGE.

A Good Attendance at the Monthly Meeting Last Night.

Nineteen firms were present at the regular monthly meeting of the Real Estate Exchange last night, and President Dupuy was in the chair. The exchange decided to have a pamphlet about Roanoke published for distribution. The matter of joining the State Exchange was deferred until the July meeting.

J. R. Hockaday, ex-president of the exchange, tendered his resignation as a member of the organization.

There was quite a lively discussion as to whether members of the exchange should be allowed to sell lots to negroes except in the black districts, but the matter passed over without action.

Work Resumed on the Terry Building.

Pumping of water from the excavation for the foundation of the new Terry building, corner of Jefferson and Campbell streets, was commenced yesterday. As soon as the foundation is in condition a large force of hands will be put on the building and the work pushed forward rapidly.

CARPER SENT TO THE GRAND JURY.

He Said That He Was Drunk When the Check Was Raised.

J. W. Carper, the young man who was arrested Saturday on the charge of raising a Norfolk and Western pay check from \$54.71 to \$94.71, was given a preliminary examination yesterday morning before Justice Howerton.

The accused selected the services of W. W. Berkely as counsel. Detective Early was on hand and called several witnesses, among them being Jos. B. and J. T. Lacy, who filled out and signed the check, W. A. Dickinson, who paid it to Carper, T. T. Meadows to whom the check was presented for payment, and a TIMES reporter, who secured Carper's confession.

The prisoner told the justice that he was drunk at the time the man Everhart raised the check, and had forgotten all about it when he presented it at the bank.

After hearing the testimony Capt. Berkely submitted the case to the magistrate and made no defense.

The prisoner was sent on to the grand jury and bail was fixed at \$200.

Will Chief Morris Resign?

The resignation of Chief of Police Morris may be expected about the 1st of July. He told a TIMES reporter yesterday that such are his intentions. The chief will keep the office, however, if he receives sufficient pay, but says that he will work no longer for \$70 a month. Sergeant Jones and Officers Wolfe and Brown will be candidates for the place and perhaps Officer Bower also.
